WALKING PATTERN

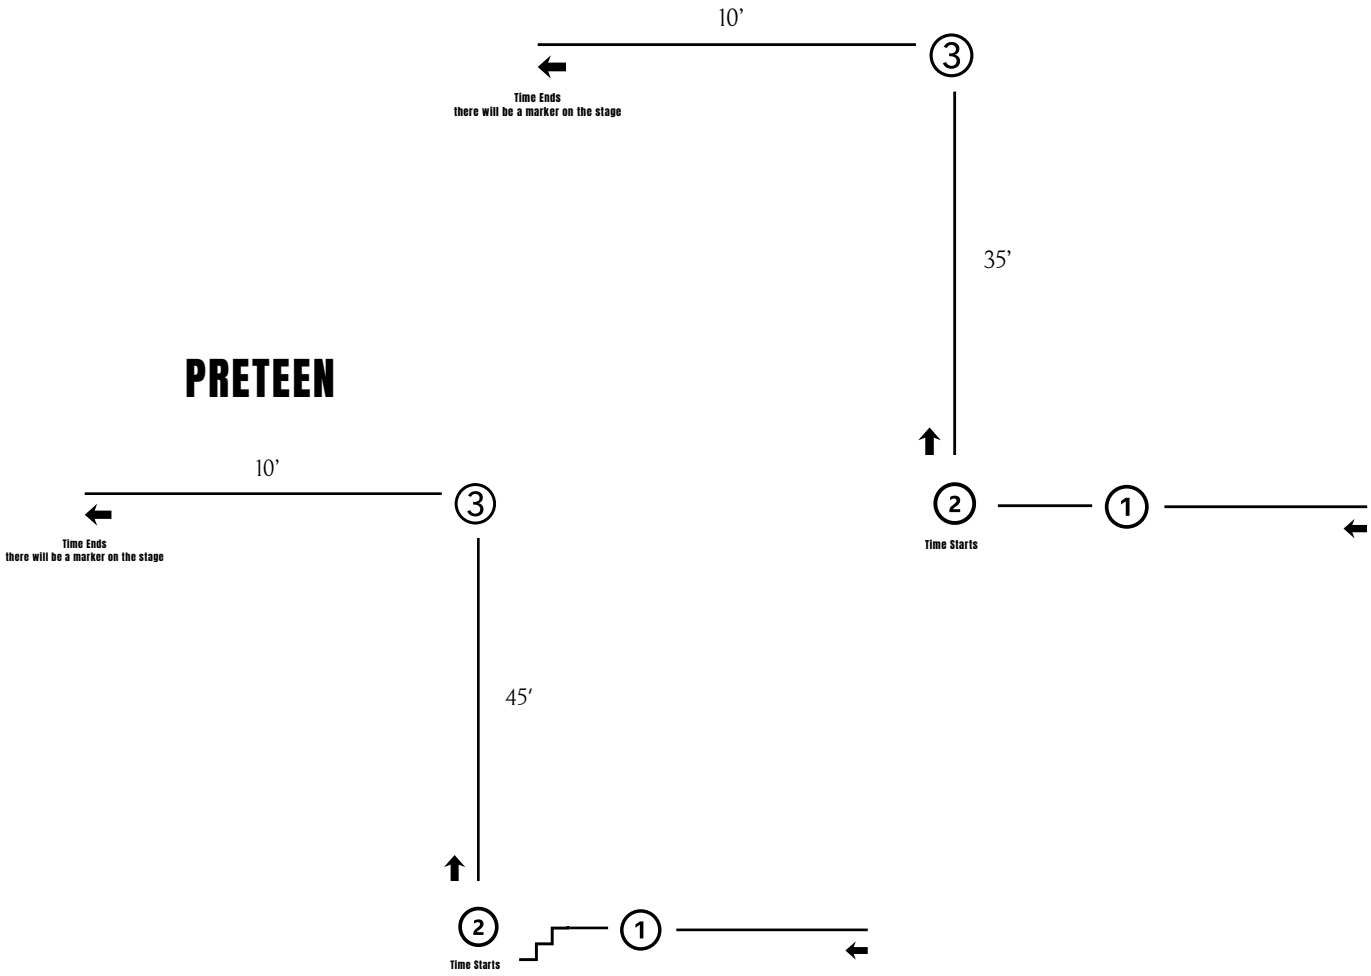

All stage competitions will have the same walking pattern, and each delegate must follow the walking pattern exactly as instructed. Judges will deduct at their discretion for delegates who do not follow the walking pattern.

The judges want to see you at the end of the stage. Therefore, when your name is called (indicated on the chart at right as #1) you must immediately begin your walk to #2. You may make one turn or circle in the middle of the runway as long as your feet keep moving and you do not stop as you make your way down the stage. At the end of the stage, you will be doing a circle pattern and will be allowed one additional pose of your choice (indicated on the chart as #3). You will then walk off the stage and exit.

Delegates are expected to exhibit youthful stride and facial expressions that are age appropriate.

Each contestant will have 45 seconds on stage, beginning the moment they hit #2 and ending once they have exited into the wing. Contestants who exceed the allotted time will be docked 2 points from overall score.

ADDITIONAL DELEGATE INFO

NON-COMPETE AND COMPLETION OF REIGN

Because the job of a titleholder requires commitment, titleholders may not compete in any other pageant that would be considered a conflict with their obligations as a UNM titleholder and their attendance at nationals. Delegates who win national titles understand that they are under contract with a full no-compete clause. Delegates who won their title at a regional pageant must fulfill their titleholder obligations until they crown their successor at the regional pageant.

PEOPLE'S CHOICE

Our National People's Choice can land you in the Top 16 and win you a $500 cash scholarship! The delegate with the highest votes in each age division will advance to the Top 16 and the delegate with the overall largest number of votes from all divisions in the pageant will win the scholarship.

NATIONAL CHECKLIST

The national checklist is where we post lists of the payments and optional entries we have received from delegates. As we approach nationals the checklist will be uploaded and updated regularly in the Delegate Portal.

SPONSOR OFFERS

Many of our national sponsors offer discounts for products and services to our delegates. You can find all sponsor offers in the delegate portal.

POST PAGEANT FEEDBACK

At USA National Miss, we believe constructive feedback can be a valuable part of each delegate's pageant experience and continued growth. Following Nationals, delegates will have the opportunity to request their highest area of competition, lowest area of competition, and judges' comments from the competition. - NUMBER SCORES WILL NOT BE GIVEN

Requests may be submitted beginning two weeks after the conclusion of the pageant by emailing info@usanationalmiss.com.

Please include the delegate's full name and division in the request. Score and comment information will not be released prior to the two-week period due to national office vacation after nationals.
